This is a full length NOVEL set between Windburn and Rootbound. However, to avoid spoilers, the author highly recommends you read it after reading Rootbound. From the USA Today Bestselling series comes a glimpse into the life and mind of a character surrounded in mystery . . . My name is Ash, and I am an Elemental. As an Ender, it is my place to protect the royal family at all costs. Despite

being the best Ender our world has ever beheld, I have failed time and again as the personal sacrifices continue to mount. Lark has been banished to the desert by her father who is blind to the manipulation he has again fallen prey to. To bring about justice, I must seek out and destroy the one who intentionally wields her powers to bring pain to my people. Cassava's death will finally free us from the dark cloud her reign of terror has surrounded us in. This is what I believe to be true and I will seek her out with only one intended outcome. The reality, however, is much more complicated than my beliefs. When lies turn to truths, and enemies to allies, can I still find my way back to who I once was? Uncertainty makes me hesitant, but I can not give up. For justice. For Lark. No matter the sacrifice. Successful Seattle baker Alena Budrene doesn't want to die. But when she's infected with a lethal virus spread by supernatural beings, her only chance for recovery is to make a deal with the devil--or in this case, a warlock. Though he saves her life, it looks nothing like the life she once knew--and neither does she. Alena is a new breed of "Supe" no one has ever seen before. Even the supernatural police don't know what she is.

Now exiled to the northern side of the Wall, which marks the divide between humans and Supes, Alena is thrust into a dark and magical new world. But just as she begins to adjust to all things supernatural, she realizes that her transformation is the least of her worries--and it was no accident. She was chosen...to be killed by a Greek hero trying to make a name for himself once more. Alena was brought up to be subservient, preferring creating to fighting, and vanilla and honey to blood. But that was then. Now, to survive, she must stand up for herself--and this time she's got fangs. But will she be ready to use them? Detective Darby Adler is about to hand in her badge. After inadvertently taking the mantle of Warden of Knoxville, Darby has painted a huge target on her back. With bridges burned and the ABI on her tail, she'll have to decide between staying a small-town detective or leaning into her new role. It's not only her job on the line--it's her life. Who says small towns are boring? "As an Ender, one of my father's elite guards, it's my job to do as I'm told. When my older sister is sent as an ambassador to the realm of the water elementals--the Deep--I have no choice but to accompany her as her bodyguard. With the

death of the water elemental's King, a deadly battle for the throne begins; a battle we are forced to choose sides in. There are only a few things I know for sure. The ocean may be beautiful, but lurking in its depths are monsters to fear, the water I tread is teeming with danger and I am on my own. With no one to help, and no one to trust, I have to find a way to keep my sister safe, and stop a civil war." -- Page 4 of cover. Queen of the fae courts. Faced with an impossible battle. Destined to never be with the Unseelie I love. The magical tea has worn off. My eyes are wide open. And it's with horror that I realize the fate of two realms rests on my shoulders after my mother's ultimate sacrifice to trap Rubezahl in Underhill. Terrified humans clamoring for answers, whispered rumors from both Seelie and Unseelie, and a stepmother who seeks the throne for surprising reasons are the least of my troubles. Rubezahl has returned far sooner than I thought possible. I'm not ready. I can't win this. And not only that... He has something crucial if we are to win. He's taken something I cannot live without. The place of the final battle has been decided, and two armies will meet. Yet forces beyond my understanding must be satisfied first--old magics rise and demand their dues. There is no option but to race and decipher the puzzle to save the man I love, the friends more important to me than my own life, and humans and fae alike. Two realms. Only I can save them. We're screwed. If you can't get enough of Sarah J. Mass, Holly Black, or

Jennifer L. Armentrout, you will love this vibrant world where impossible love and an explosive pace will leave you breathless! "My name is Rylee and I am a Tracker. "When children go missing, and the Humans have no leads, I'm the one they call. I am their last hope in bringing home the lost ones. I salvage what they cannot. One last salvage and the final battle with Orion and the demon hordes will be upon me. I don't know the name of the person I'm Tracking, or what she looks like so finding her is going to be . . . impossible. But she is the key to defeating the demons. The world has been swept with a plague that is killing not only the humans, but every supernatural it touches. While I'm out Tracking, my allies are being wiped out. Worse than all of this? I am losing Pamela to the darkness with every second that passes. I'm not sure even I can control any of these outcomes. But that doesn't mean I'm not going to try. "My name is Rylee and I am a Tracker." When children go missing, and the Humans have no leads, I'm the one they call. I am their last hope in bringing home the lost ones. I salvage what they cannot. Bringing my allies together as war approaches is my number one concern. But that means I have to play nice with a vampire who is blackmailing me. If I don't, I'm screwed and my family is dead. But I don't play nice. And I have a backup plan. Kinda. Throw in some new weapons being developed that work around supernaturals, and I have more problems than I can handle on my own. Good thing I have a kick ass team. Even if

they are on the other side of the world from me. Starring the irresistible, ass-kicking heroine Rylee Adamson, Tracker is the sixth book in USA Today bestselling author Shannon Mayer's sexy, exciting, and laugh-out-loud series, a dangerously addictive paranormal romance. A Teenage Girl Torn from her Family Must Survive a Series of Deadly Trials to Earn her Place in a Dangerous School of Magic, from Bestselling Authors K.F. Breene and Shannon Mayer You don't choose The Academy. The Academy chooses you. I had no idea how those words would change my life, until the day the most dangerous man I've ever met waltzed onto my farm and left us a death sentence. My younger brother has been chosen for The Academy: the prestigious, secret school of magic hidden within the folds of our mundane world. A place where there's no guarantee you'll make it out alive. If he doesn't go, our entire family will be killed. It's the same invitation my older brother received three years ago—and he never came home. The Academy has already killed one sibling, and I'll be damned if they take another. So I do the only thing an older sister can: chop off my hair, strap on two bras to flatten the girls, and take my brother's place. Magic and monsters are real. Assassins are coming for me, and the dead are prone to rise. What's a girl faking it as a boy supposed to do? Being accepted into an elite school of magic, monsters, and assassins was not my idea of higher education. But here I am, fighting my way through the deadly

physical and mental tests of the Culling Trials to claim my right to be taught. In a cutthroat world where no one is as they seem, the golden rule is simple: Trust no one. The Academy tells us we should just look out for ourselves. That we should leave the fallen behind and ask no questions. Not on my watch. You Don't Choose The Academy. The Academy Chooses You. "This book is Harry Potter meets the Hunger Games in a bold twist on a classic magical young adult adventure." Jaymin Eve, Bestselling Author of Supernatural Academy I've made it through the Culling Trials, the test that proved my mettle against every possible challenge. I assumed that meant things would settle down and I'd start truly learning. No more danger. No more death threats. No more wondering who was out to get me. Apparently, that was not to be. I am what this supernatural world calls a Chameleon--a rarity even amongst all these monsters. And rare things are coveted and feared by the most powerful of all--The House Of Wonder. It's a good thing I have my crew at my back, because this Academy? It's about to get seriously ugly. Which means this farm girl is ready to play by only one set of rules. Her own. Shadowspell Academy novels offer delicious cliffhangers that will keep you on the edge of your seat until the final book - Shadowspell Academy: Year of the Chameleon (Book 6) Over the hill, all outta ducks to give, and suddenly life is looking up . . . even if you're living with a ghost and fighting off werewolves. Moving back to Savannah changed

my life in all the best ways. New job. New friends. As far from my ex-husband as possible. I didn't count on the Shadow World intensifying its hold on my life. Color me surprised, when a new job lands in my lap watching over a fairy ring. Worth ten times what I'd make anywhere else, it seems too good to be true. I take it anyway. And that's when things get weird. Spells are cast on my friends that seems to make them lose their marbles. I've got a Bigfoot baking in my kitchen. And a skeleton is quickly becoming my go-to guy. Which is silly because the eye candy strutting around in front of me is drool worthy. (I'm looking at you, Crash. Really looking 0_0) Nothing in Savannah is what it seems, and the magic and undercurrents of this city are pulling me onto a dangerous path. But with a Fae Queen begging my help, and the darkness closing in, I can only do one thing. Pop a couple Advil, and kick some serious ducking butt. *****
*****" If you love Patricia Briggs, Kelley Armstrong, KF Breene, Shayne Silvers, Dannika Dark, Jana DeLeon, Kevin Hearne or Ilona Andrews, you won't want to miss ANY of Mayer's books!" From Hijinks Ink Publishing & Shannon Mayer comes the final epilogue to the USA Today Bestselling RYLEE ADAMSON NOVELS. With over 1.5 million books sold, Shannon Mayer proves once again she can dominate her genre right out of the gate. My name is Alex, and I am a werewolf. As a boy, I was trapped halfway between human and wolf. Rylee rescued me and I

became the first outcast to join her pack. In the Battle Against Orion, I sacrificed my life for hers and became the pillar which holds the Veil separating the human world and the supernatural world, closed. I kept the demons from spilling into the human world and left Rylee and our pack behind to live on. But something is calling me back to the land of the living and the journey to get there terrifies me. I must pass through the darkest levels of the Veil to prove my worth, and will come face to face with my past and all of those I've lost along the way. My deepest fear is that I'm not strong enough and I will prove unworthy. If I don't at least try though, I'll remain forever with the dead and separated from my pack. Eternity is a long time, but this decision and journey may very well tear me apart before I reach either destination. May the gods have mercy on my soul. She's emptied her savings, lost work, and spilled countless tears trying to keep him out of trouble, but now he's in deeper than ever, and his debt is on Callie's head. She's given a choice: do some dirty work for the mob, or have her brother returned to her in tiny pieces. Renting souls is big business for the religious population of Gem City. Those looking to take part in immoral—or even

illegal—activity can borrow someone else's soul, for a price, and sin without consequence. To save her brother, Callie needs a borrowed soul, but she doesn't have anywhere near the money to pay for it. The slimy Soul Charmer is willing to barter, but accepting his offer will force Callie into a dangerous world of magic she isn't ready for. With the help of the guarded but undeniably attractive Derek—whose allegiance to the Charmer wavers as his connection to Callie grows—she'll have to walk a tight line, avoid pissing off the bad guys, all while struggling to determine what her loyalty to her family's really worth. Losing her brother isn't an option. Losing her soul? Maybe. ***This trilogy version contains all THREE installments of The Nevermore Trilogy and includes the BONUS short story 'Scattered'.***

Starring the irresistible, ass-kicking heroine Rylee Adamson, Blood of the Lost is the final book in USA Today-bestselling author Shannon Mayer's sexy, exciting, and laugh-out-loud series, a

dangerously addictive paranormal romance. The first in the Half-Moon Hollow series is "wry, delicious fun" (Susan Andersen, New York Times bestselling author) as it follows a librarian whose life is turned upside down by a tempestuous and sexy vampire. Maybe it was the Shenanigans gift certificate that put her over the edge. When children's librarian and self-professed nice girl Jane Jameson is fired by her beastly boss and handed twenty-five dollars in potato skins instead of a severance check, she goes on a bender that's sure to become Half Moon Hollow legend. On her way home, she's mistaken for a deer, shot, and left for dead. And thanks to the mysterious stranger she met while chugging neon-colored cocktails, she wakes up with a decidedly unladylike thirst for blood. Jane is now the latest recipient of a gift basket from the Newly Undead Welcoming Committee, and her life-after-lifestyle is taking some getting used to. Her recently deceased favorite aunt is now her ghostly roommate. She has to fake breathing and endure daytime hours to avoid coming out of the coffin to her family. She's forced to forgo her favorite down-home Southern cooking for bags of O negative. Her relationship with her sexy, mercurial vampire sire keeps running hot and cold. And if all that wasn't enough, it looks like someone in Half Moon Hollow is trying to frame her for a series of vampire murders. What's a nice undead girl to do? Unsuspecting humans. Fallen gods in disguise. A battle for the entire universe. After escaping the Vault, a prison for gods, twin

siblings Preeti and Vineet make a desperate journey to the human world where they must impersonate the race they are meant to rule and protect. The plan was simple: wait three years until their Enlightenment, when they will be powerful enough to fight back against the Goddess of Law, the woman that imprisoned them and is now determined to kill them and assert herself as ruler of the gods. But, a forbidden romance with a rebellious prince has Preeti losing sight of her role as the Goddess of War. Preeti and Vineet are thrust into a war for more than their lives, but their souls, and those of the humans they have grown to love. "What a fantastic start to a new fantasy series! Let them see the Phoenix rise from the fragments of a broken life as she burns with a fury that cannot be contained. Let the killing games begin. "My name is Rylee and

Unless I figure out how the hell magic that has existed since the dawn of time was destroyed with a single touch, well, an entire life spent fighting to prove myself isn't going to

mean anything at all. I must find the answer to the riddle of Underhill's shattering. Hunted by the very man I loved once upon a time. If you love Jennifer L. Armentrout, Sarah J. Mass, Holly Black or Elise Kova, you will love this dive into a world of the fae, forbidden love, and a story that will leave you breathless for more. In Gilded, #1 New York Times bestselling author Marissa Meyer returns to the fairytale world with this haunting tale. Long ago cursed by the god of lies, a poor miller's daughter has developed a talent for spinning stories that are fantastical and spellbinding and entirely untrue. Or so everyone believes. When one of Serilda's outlandish tales draws the attention of the sinister Erlking and his undead hunters, she finds herself swept away into a grim world where ghouls and phantoms prowl the earth and hollow-eyed ravens track her every move. The king orders Serilda to complete the impossible task of spinning straw into gold, or be killed for telling falsehoods. In her desperation, Serilda unwittingly summons a mysterious boy to her aid. He agrees to help her... for a price. Love isn't meant to be part of the bargain. Soon Serilda realizes that there is more than one secret hidden in the castle walls, including an ancient curse that must be broken if she hopes to end the tyranny of the king and his wild hunt forever. As the boogeyman to the underworld, Nix isn't afraid of dying. Yet this time, it's not about dying. It's about escaping with her mind intact. I thought I'd finally stepped away from the madness of the

underworld, away from the Abnormals, away from all those who would do me and those I love harm. The world though had different plans. And now I'm trapped, not only physically, but inside my head. Those who have me caged say none of it was real. That I'm not a highly trained assassin of Abnormals. That I have no family. My children do not exist. That there is nothing supernatural about this world. If they are right, then I've been crazy all along. I've been stuck inside of my head all these years, living a fantasy. If they are right I am not the legendary Phoenix. If they are wrong . . . then that means there is a new game afoot. Then there will be hell to pay and the fires that burn within me will consume them all. If you like KF Breene, Ilona Andrews, Patricia Briggs, Faith Hunter, Jaymin Eve, Kelley Armstrong, Kim Harrison, or Shayne Silvers, you won't want to miss Mayer's books and her kick butt heroines! Over forty. Divorced. Rocking a little revenge against the Ex. A dash of magic and things are suddenly looking up. Even if you do you have to cross your legs when you sneeze. One day I'm married, living in Seattle, and magic isn't real. The next, I'm divorced and living in the guest room of my ex's hotter- than-sin cousin's place in Savannah . . . and talking to an animated skeleton named Robert. I have to admit, Robert isn't my worst date. At forty-one, I didn't think I'd be starting over. But I'll be damned if my ex thinks I'm down and out because he pulled a fast one on me. When a job comes my way that offers me a chance to use

my childhood training in the shadow world, I take it-I need the money more than I care about my sanity. It's dangerous. I have to embrace the magic and dark of my past. And I need Advil to keep me going. So those who'd hold me back better sit up and take notice, because a new woman is in town, and she's not about to be counted out by anyone. Even if she does groan when she rolls out of bed in the morning. Grab the pre-order for book two "Fairy Crossed Bounty" releasing April 2020! Looking for more books in this HOT FLASH of a new genre? Reviewer From NYT and USAT bestselling authors Denise Grover Swank and Shannon Mayer comes the thrilling sequel to "Silver Staked" . . . My name is Rachel Sambrook, and I thought I understood the world ...until I discovered the world is full of living, breathing, monsters. When I teamed up with Lea, I thought we stopped the experiments on the vampire blood. All we did was open a can of wolves, we had not expected. The clues

we find take us halfway across the world and to my irritation, leave us depending on two men. One, a werewolf who has his own set of secrets. And the other a Cazador like Lea . . . only this one is human. And more tempting than I'd like to admit. The only way to win this new fight will be to trust one another. If we don't, then none of us will survive the bite that is coming . . . WOLF BITE was previously published under the title "Replica" This updated second edition of Acute Ischemic Stroke: Imaging and Intervention provides a comprehensive account of the state of the art in the diagnosis and treatment of acute ischemic stroke. The basic format of the first edition has been retained, with sections on fundamentals such as pathophysiology and causes, imaging techniques and interventions. However, each chapter has been revised to reflect the important recent progress in advanced neuroimaging and the use of interventional tools. In addition, a new chapter is included on the classification instruments for ischemic stroke and their use in predicting outcomes and therapeutic triage. All of the authors are internationally recognized experts and members of the interdisciplinary stroke team at the Massachusetts General Hospital and Harvard Medical School. The text is supported by numerous informative illustrations, and ease of reference is ensured through the inclusion of suitable tables. This book will serve as a unique source of up-to-date information for neurologists, emergency physicians,

radiologists and other health care providers who care for the patient with acute ischemic stroke. "My name is Rylee and I am a Tracker." When children go missing, and the Humans have no leads, I'm the one they call. I am their last hope in bringing home the lost ones. I salvage what they cannot. Underestimating demons is a bad idea, and it's a mistake that may cost me not only my own life, but the life of a missing child. If I can swallow my pride, and allow Agent O'Shea to help me find a way to deal with the demon, we might be able to save the child. With this salvage, it's a race against time, a test of trust, and a temptation that I'm doing my damndest to ignore. If only swallowing my pride was that easy. Publishing and Shannon Mayer comes ROOTBOUND (Book 5) in The USA Today Bestselling ELEMENTAL SERIES. With over 1 million books sold, Shannon Mayer proves once again she can dominate her genre right out of the gate. BOOK DESCRIPTION: My name is Larkspur, and I am an Elemental. My people use the power of the earth to sustain life and defy our enemies. I am the half-breed bastard child of a king. I was not meant to survive the trials cast my way. Yet, here I stand. The world has deteriorated in the years I was banished. The Elemental families are rife with deception, violence, and madness more than ever before. A voice I know all too well calls me to do her bidding. A voice I no longer wish to hear. The mother goddess begs me to save the four families, and stop my nemesis. To do it, I must face each of the Elemental leaders and take from them the power they hold close: the stones I once entrusted to them. Now, the secrets I unearth as I pursue the stones shatter everything I know about my world, and everything I was taught. Yet, I am not the naive girl I once was. If I am to see this through, I must completely embrace the new reality of my life and all its obstacles while forging ahead. Four stones abused. Four families broken. A half-breed princess as their only hope. Through it all, the one I love waits for me to find him. When I do, will he, like everything else in my world, not be what he once was?
