Chandrabati's Ramayan Sep 04 2021 Chandrabati, the first woman poet in Bangla, lived in the sixteenth century in Mymensingh district in present day Bangladesh. She was also the first poet in the Bangla language to present a retelling of the Ram story from the point of view of Sita. Idolized as a model of marital obedience and chastity in Valmiki's Ramayan, Chandrabati's lyrical retelling of Sita's story offers us a fresh perspective. Written in order to be sung before a non-courtly audience, mainly of womenfolk of rural Bengal, Chandrabati's Ramayan adds new characters and situations to the story to provide new interpretations of already known events drawing richly on elements of existing genres. Its location in the tales of everyday life has ensured that Chandrabati's Ramayan lives on in the hearts of village women of modern-day India. Translated into English for the first time by renowned and recently deceased writer Nabaneeta Dev Sen, this edition brings a beloved religious tale to a new audience in the twenty-first century.

**The First Promise** Jun 13 2022 The First Promise is a translation of Ashapura Debi's novel, Pratham Pratisruti, originally published in Bengali in 1964. Celebrated as one of the most popular and path-breaking novels of its time, it has received continual critical acclaim: the Rabindra Puraskar (the Tagore Prize) in 1966 and the Bharatiya Jnanpith, India's highest literary award, in 1977. Spanning the late eighteenth and early twentieth centuries, Ashapura tells the story of the struggles and efforts of women in nineteenth-century, colonial Bengal in a deceptively easy and conversational style. The charming eight-year-old heroine, Satyabati is a child bride who leaves her husband's village for Calcutta, the capital of British India where she is caught in the social dynamics of women's education, social reform agendas, modern medicine and urban entertainment. As she makes her way through this complex maze, making sense of the rapidly changing world around her, Satyabati nurtures hopes and aspirations for her daughter. But the promises held out by modernity turn out to be empty, instigating Satyabati to break away from her inherited world and initiate a quest that takes her to the very heart of tradition.

**Seminarian** Dec 27 2020 Martin Luther King Jr. was a cautious 19-year-old rookie preacher when he left Atlanta, Georgia, to attend seminary up north. At Crozer Theological Seminary, King, or "ML"

back then, immediately found himself surrounded by a white staff and white professors. Even his dorm room had once been used by wounded Confederate soldiers during the Civil War. Young ML was a prankster and a late-night, chain-smoking pool player who fell in love with a white woman while facing discrimination from students and the locals in the surrounding town of Chester, Pennsylvania. In class, ML performed well, though he developed a habit of plagiarizing that continued throughout his academic career. In his three years at Crozer between 1948 and 1951, King delivered dozens of sermons around the Philadelphia area, had a gun pointed at him (twice) and eventually became student body president. These experiences shaped him into a man ready to take on even greater challenges. *The Seminarian* is the first definitive, full-length account of King's years as a divinity student at Crozer Theological Seminary. Long passed over by biographers and historians, this period in King's life is vital to understanding the historical figure he soon became. *Sushma Swaraj* Nov 06 2021 "... a leader who was not just a powerful orator but also one who was humane, sensitive and approachable to the common person. In many ways, Sushma Swaraj's political journey is the journey of a woman who broke glass ceilings, one by one, to exemplify how women too can excel in politics-an arena traditionally dominated by men."

Yasodhara Aug 23 2020 A long time ago, in a far-off kingdom, a boy and a girl, born on the same day, were destined to be together--and then painfully wrenched apart. In this exquisitely crafted narrative, we encounter Yasodhara as a fiercely independent, passionate and resilient individual. We witness her joys and sorrows, her expectations and frustrations, her fairy-tale wedding, and her overwhelming devastation at the departure of her beloved. It is through her eyes that we witness Siddhattha's slow transformation, from a sheltered prince to a deeply sensitive young man. Uttam Kumar Sep 16 2022 'There is none like Uttam and there will be no one to ever replace him. He was and he is unparalleled in Bengali, even Indian cinema.'-Satyajit Ray, Oscar-winning Indian film-maker Actor and screen icon Uttam Kumar (1926–1980) is a talismanic figure in Bengali public life. Breaking away from established codes of onscreen performance, he came to anchor an entire industry and led the efforts to reimagine popular cinema in mid-20th-century Bengal. But there is pitifully less knowledge about Uttam Kumar in the learned circles-be it about his range of style and performance; the attractions and problems of his cinema; his roles as a producer and patriarch of the industry; or his persona, stardom and legacy. The first definitive cultural and critical biography of this larger-than-life figure engages meaningfully with his life and cinema, revealing the man, hero and actor from various, often competing, vantages. The conceptual aim is to locate a star figure within a larger historical and cultural context, and to enquire into how a towering image was mobilised for an ever-greater, wholesome, popular and even, at times, radical and progressive entertainment. A complimentary métier of this work is to explore why and how this star persona would go on to reconstitute the bhadrolok Bengali visual and cultural world in the post-Partition period. But above all, this is the story of a clerk who became an actor, an actor who became a star, a star who became an icon and an icon who became a legend.
