Gideon Mantell and the Discovery of Dinosaurs is a scholarly yet accessible biography--the first in a generation--of a pioneering dinosaur hunter and scholar. Gideon Mantell discovered the Iguanodon (a famous tale set right in this book) and several other dinosaur species, spent over twenty-five years restoring Iguanodon fossils, and helped establish the idea of an Age of Reptiles that ended with their extinction at the conclusion of the Mesozoic Era. He had significant interaction with such well-known figures as James Parkinson, Georges Cuvier, Charles Lyell, Roderick Murchison, Charles Darwin, and Richard Owen. Dennis Dean, a well-known scholar of geology and the Victorian era, here places Mantell's career in its cultural context, employing original research in archives throughout the world, including the previously unexamined Mantell family papers in New Zealand. From telemarketers to traffic jams to twenty-item shoppers in the ten-item line, our lives are full of interruptions. They're often aggravating, sometimes infuriating, and can make us want to tell people what we really think about them. But they also tell us something quite important about ourselves. The prophet Jonah's life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely

opposite direction. Yet it wasn't really an interruption. It was an opportunity for Jonah to be involved in something the likes of which the Old Testament world had never seen: national revival in a Gentile country. What if Jonah had seen God's interruption for what it truly was—a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time? What could have felt any better than being directly in the center of God's will? Yet we play it that same way—always running from major pains and minor problems that just don't seem to suit us at the time. Who knows what we're missing by being so interruption avoidant? In this very personal account of opportunities lost and lessons learned, popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God, even when He's going against your grain. . Every woman longs for someone to protect and care for her—someone to guide her when she's not sure of her next steps, to provide rest when she's worn out, to walk with her when the valley is dark. God is the Good Shepherd whose companionship provides the comfort and confidence every woman needs. No matter what season a woman finds herself in, she is safe with her Shepherd. A powerful, bracing and deeply spiritual look at intensely, troubled youth, Last Chance in Texas gives a stirring account of the way one remarkable prison rehabilitates its inmates. While reporting on the juvenile court system, journalist John Hubner kept hearing about a facility in Texas that ran the most aggressive—and one of the most successful—treatment programs for violent young offenders in America. How was it possible, he wondered, that a state like Texas, famed for its hardcore attitude toward crime and punishment, could be leading the way in the rehabilitation of violent and troubled youth? Now Hubner shares the surprising answers he found over months of unprecedented access to the Giddings State School, home to “the worst of the worst”: four hundred teenage lawbreakers convicted of crimes ranging from aggravated assault to murder. Hubner follows two of these youths—a boy and a girl—through harrowing group therapy sessions in which they, along with their fellow inmates, recount their crimes and the abuse they suffered as children. The key moment comes when the young offenders reenact these soul-shattering moments with other group members in cathartic outpourings of suffering and anger that lead, incredibly, to genuine remorse and the beginnings of true empathy . . . the first steps on the long road to redemption. Cutting through the political platitudes surrounding the controversial issue of juvenile justice, Hubner lays bare the complex ties between abuse and violence. By turns wrenching and uplifting, Last Chance in Texas tells a profoundly moving story about the children who grow up to inflict on others the

violence that they themselves have suffered. It is a story of horror and heartbreak, yet ultimately full of hope. Do you feel that the ability to hear God's voice is for other people and not for you? Is it only for people who lived in Biblical times? Not at all! The God who loved you enough to die for you loves you enough to talk to you. And wherever you are in your spiritual walk, God will find a way to speak to you in a way you will understand. Become acquainted with the Voice that has spoken from a fire and a cloud; with visible signs and an invisible Spirit; through a burning bush and burning hearts. Hear from some of the most well-known Christians in history about how God speaks to them—and discover for yourself how you can discern the voice of God. Borrowing from best-selling studies by Beth Moore, Priscilla Shirer, Lisa Harper, Kelly Minter, and Jennifer Rothschild, this 5-session study explores crucial moments in the lives of five Old Testament figures—Esther, Gideon, Malachi, Nehemiah, and Hosea. Strengthen your faith as you walk alongside these larger-than-life figures who all chose to obey God no matter the circumstances. Don't miss this exciting adventure from #1 New York Times bestselling authors Preston & Child, in which the secrets of a mysterious ancient tablet may point the way to untold treasure-or unspeakable danger. "I just want to be crystal clear about this: if it has value, we're gonna steal it. Are you with me?" Effective Engineering Solutions has been inexplicably shut down and the head of the company, Eli Glinn, has all but vanished. Fresh off a diagnosis that gives him only months to live, Gideon Crew is contacted by one of his coworkers at EES, Manuel Garza, who tells him the two have mere hours to collect their belongings before the office closes forever. After years of dedicated service and several high-risk missions, theirs seems like the most ignoble of terminations-until Gideon and Garza happen upon an incredible discovery. After centuries of silence, a code-breaking machine at EES has cracked the long-awaited translation of a centuries-old stone tablet, the Phaistos Disc, that dates back to an otherwise completely unknown, ancient civilization. The mysteries of the message itself hint at incredible treasures, and perhaps even a world-altering secret. No one remains at EES to take on this most remarkable mission but Gideon and Garza. The two agree to solve the mystery of the disc's message and split the spoils: the perfect parting gift their employer doesn't know he has given. What lies at the end of the trail may save Gideon's life-or bring it to a sudden, shocking close. As Gideon and Garza soon discover, some missions are more dangerous than others. The Washington Post reporter delivers a groundbreaking investigation into the nation's crisis of indigent defense—“a hugely important book” (New York Law Journal). A Nieman Report's Top Ten Investigative Journalism Books of 2013 First published to mark the fiftieth anniversary of the Supreme Court decision Gideon v. Wainwright, which guaranteed all criminal defendants the right to legal counsel, Chasing Gideon offers a personal journey through our systemic failure to fulfill this basic constitutional right. Written in the tradition of Anthony Lewis's landmark work Gideon's Trumpet, it focuses on the stories of four defendants in four states—Washington, Florida, Louisiana, and Georgia—that are emblematic of nationwide problems. Revealing and disturbing, it is “a book of nightmares” because it shows that the “‘justice system’ that too often produces the exact opposite of what its name suggests, particularly for its most vulnerable

constituents” (The Miami Herald). Following its publication, *Chasing Gideon* became an integral part of a growing national conversation about how to reform indigent defense in America and inspired an HBO documentary as well as the resource website [GideonAt50.org](http://GideonAt50.org). “Chasing Gideon is a wonderful book, its human stories gripping, its insight into how our law is made profound.” —Anthony Lewis, author of *Gideon’s Trumpet* The classic bestseller from a two-time Pulitzer Prize-winning journalist that tells the compelling true story of one man’s fight for the right to legal counsel for every defendant. What happens to consciousness during the act of dying? The most compelling answers come from people who almost die and later recall events that occurred while lifesaving resuscitation, emergency care, or surgery was performed. These events are now called near-death experiences (NDEs). As medical and surgical skills improve, innovative procedures can bring back patients who have traveled farther on the path to death than at any other time in history. Physicians and healthcare professionals must learn how to appropriately treat patients who report an NDE. It is estimated that more than 10 million people in the United States have experienced an NDE. Hagan and the contributors to this volume engage in evidence-based research on near-death experiences and include physicians who themselves have undergone a near-death experience. This book establishes a new paradigm for NDEs. One day it seems that everything in life is good, and the next day it can feel like everything is falling apart. Then there are those in between days when we’re coasting along without much thought to the highs or lows. The prophet Elijah experienced this rollercoaster ride as well. One moment he was hiding out in the wilderness during a famine, being fed by the ravens, and the next he was on the mountaintop where God showed up in a powerful way with fire and then rain.

Even Elijah grew weary of all the ups and downs, telling God, “I have had enough” (1 Kings 19:4). He needed spiritual stamina in order to keep on going and fulfill all the plans God had for his life. We do too! In this six-week study grounded in 1 and 2 Kings, we will examine the life of the prophet Elijah, an ordinary man who did extraordinary things for God in the midst of the highs and lows of life. We’ll learn some of the spiritual stamina secrets that helped him to hold on and persevere in faith, including practical habits related to making decisions, caring for the soul, accepting his circumstances, mentoring, and finishing well—which was his ultimate legacy. Whether we’re currently in a mountaintop season where we’re experiencing God’s power and blessing, a valley season where we feel like running away, or somewhere in between, Elijah’s life will inspire us to go the distance in the life of faith. Best of all, his story will challenge us but not shame us, because we’ll discover that Elijah was just as human as we are. He doubted and struggled just as we do, but ultimately, he chose to believe God. As we study his life, we will grow in faith and develop spiritual stamina that will help us not only to survive but actually thrive in every season.

The Egyptians in Exodus 1 were intent on enslaving the Israelites, wearing them down so that God’s chosen people would become disillusioned and not live up to their destiny. Of the original two million Israelites who received God’s invitation to enter the Promised Land, only two actually entered it! Similarly, modern day Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life. In *One in a Million*, Bible teacher Priscilla Shirer invites us to change that pattern for good, living beyond our circumstances and expecting to see God move in miraculous ways day after day. Without a doubt, we can find and follow God’s purpose for our journey. We can make it to the Promised Land! *Jonah: Navigating a Life Interrupted - DVD Leader Kit* by Priscilla Shirer helps a leader facilitate this women’s Bible study experience and contains all that is needed to conduct the small group time. What do we do when God interrupts our lives? Many times, like Jonah, we run! In this 7-session Bible study, Priscilla redefines interruption and shows that interruption is actually God’s invitation to do something beyond our wildest dreams. When Jonah was willing to allow God to interrupt his life, the result was revival in an entire city.
