Here is a proven book to help scholars master writing as a productive, enjoyable, and successful experience -- Author, Robert

Boice, prepared this self-help manual for professors who want to write more productively, painlessly, and successfully. It reflects the author's two decades of experiences and research with professors as writers -- by compressing a lot of experience into a brief, programmatic framework. Like the actual sessions and workshops in which the author works with writers, this book admonishes and reassures. In the innovative book lies the path for sustained, highly productive scholarly writing! Stop trying to beat everyone else. True success is playing by your own rules, creating work that no one can replicate. Don't be the best, be the only. You're on the conventional path, checking off accomplishments. You might be doing okay by normal standards, but you still feel restless, bored, and limited. Srinivas Rao gets it. As a new business school graduate, Srinivas's dreams were crushed by a soulless job that demanded only conformity. Sick of struggling to keep his head above water, Srinivas quit his job and took to the waves, pursuing his dream of learning to surf. He also found the freedom to chart his own course. Interviewing more than five hundred creative people on his Unmistakable Creative podcast was the ultimate education. He heard how guests including Seth Godin, Elle Luna, Tim Ferriss, Simon Sinek, and Danielle LaPorte blazed their own trails. Srinivas blends his own story with theirs to tell you: You can find that courage too. Don't be just one among many--be the only. Be unmistakable. Trying to be the best will chain you to others' definition of success. Unmistakable work, on the other hand, could only have been created by one person, so competition is irrelevant. Like Banksy's art or Tim Burton's films, unmistakable work needs no signature and has no precedent. Whether you're a business owner, an artist, or just someone who wants to leave your mark on the world, Unmistakable will inspire you to create your own path and define your own success. Do you want to be more creative? Have you dreamed of being a writer? The best place to start is to write. Here are 365 writing prompts to get you started. Do one a day or as many as you like. Go through and do them one by one or flip through and pick and choose. You can start writing today. A beautiful daily journal to lead your journey in the art of living--and an instant WSJ bestseller! For more than two thousand years, Stoic philosophy has been the secret operating system of wise leaders, artists, athletes, brilliant thinkers, and ordinary citizens. With the acclaimed, bestselling books *The Obstacle Is the Way*, *Ego Is the Enemy* and *The Daily Stoic*, Ryan Holiday and Stephen Hanselman have helped to bring the Stoicism of Marcus Aurelius, Seneca, and Epictetus to hundreds of thousands of new readers all over the world. Now Holiday and Hanselman are back with *The Daily Stoic Journal*, a beautifully designed hardcover journal that features space for morning and evening notes, along with advice for integrating this ancient philosophy into our 21st century lives. Each week readers will discover a specific powerful Stoic practice, explained and presented with related quotations to inspire deeper reflection and application, and each day they will answer a powerful question to help gauge their progress. Created with a durable, Smyth-sewn binding and featuring a helpful introduction explaining the various Stoic tools of self-management, as well as resources for further reading, this is a lasting companion volume for people who already love *The Daily Stoic* and its popular daily emails and social media accounts. It can also be used as a stand-alone journal, even if you haven't read the previous books. For anyone seeking inner peace, clarity, and effectiveness in our crazy world, this book will help them immensely for the next year—and for the rest of their lives. Kickstart your creativity. Free your inner writer! What story do you have inside? Is it a romance, a drama, a fantasy...or all three? *Dare to Write* is here to inspire you with a huge variety of writing prompts, plot beginnings, and thought-provoking ideas. Scribble directly in the book or use your own notebook--the right way is however you want to write. You're invited to capture your thoughts and feelings using these writing prompts. Dare to dive into the character worksheets, topic brainstorm, or three-minute challenges and see what unfolds. You can crack open any chapter you like, or start with the first writing prompts in the book. *Dare to Write: Creative Writing Prompts for Young People and Word Rebels Everywhere* includes: A genre buffet--Try a taste of any of the included genres: memoir, poetry, crime fiction, romance, or fantasy/science fiction. Refresher inside--A handy intro and strategic writing tips help you brush up on basics like characterization, setting the scene, and more. Something for everyone--This is YOUR story! No matter what type of writer you are, you'll find creative writing prompts to inspire your composition. Pick up the writing prompts in *Dare to Write*--your imagination will take it from here. The human ability to render meaning through symbolic media such as art, dance, music, and speech defines, in many ways, the uniqueness of our species. One symbolic medium in particular--written expression--has aroused increasing interest among researchers across disciplines, in areas as diverse as the humanities, education, and the social sciences because it offers a fascinating window into the processes underlying the creation and enunciation of symbolic representation. In *The Psychology of Writing*, cognitive psychologist Ronald T. Kellogg reviews and integrates the fast-growing, multidisciplinary field of composition research, a field that seeks to understand how people formulate and express their thoughts with the symbols of written text. By examining the production of written text, the book fills a large gap in cognitive psychology, which until now has focused on speech production, comprehension, and reading, while virtually ignoring how people write. Throughout, the author masterfully examines the many critical factors that come together during the writing process--including writer personality, work schedules, method of composing, and knowledge. In providing an important new theoretical framework that enables readers from a wide range of backgrounds to navigate the extensive composition literature, the author drives home the profound significance of meaning-making as a defining feature of human cognition. Kellogg not only draws from the work of leading composition scholars, but quotes insights into the writing process proffered by some of the most gifted practitioners of the writing craft--including E.M.

Forster, John Updike, and Samuel Johnson. Engaging and lively, *The Psychology of Writing* is the perfect introduction to the subject for students, researchers, journalists, and interested general readers. Two hundred mini-daily essays that each explore an aspect of the creative writing process, an exercise to get you writing, and a quotation to tickle the imagination and keep the writing going. A thoughtful and fun collection of beguiling provocations, an irresistible invitation for new and seasoned writers. Readers also learn about their writing style and how to trust their intuition. First time in mass-market paperback. A groomsman and his last-minute guest are about to discover if a fake date can go the distance in the fun and flirty multicultural romance debut by the "New York Times"-bestselling author of "The Proposal," a Reese Witherspoon Book Club selection.

For more than thirty years Natalie Goldberg has been challenging and cheering on writers with her books and workshops. In her groundbreaking first book, she brings together Zen meditation and writing in a new way. Writing practice, as she calls it, is no different from other forms of Zen practice—"it is backed by two thousand years of studying the mind." This thirtieth-anniversary edition includes new forewords by Julia Cameron and Bill Addison. It also includes a new preface in which Goldberg reflects on the enduring quality of the teachings here. She writes, "What have I learned about writing over these thirty years? I've written fourteen books, and it's the practice here in *Bones* that is the foundation, sustaining and building my writing voice, that keeps me honest, teaches me how to endure the hard times and how to drop below discursive thinking, to taste the real meat of our minds and the life around us." *Make Writing a Part of Your Daily Routine* It isn't always easy to carve out time to devote meaningful thought and energy to your writing. Hectic schedules, distractions, and creative blocks all too often interrupt the dream - postpone it for another day. But with 366 provocative entries - each addressing a specific facet of the writing craft, and accompanied by an in-depth reflection and a stimulating exercise - *The Daily Writer* provides you with easy entry points into that elusive space where words matter most and helps you to embrace writing as a way of seeing the world. Whether you're looking for a way to better integrate writing into your life, get warmed up before you dive into a bigger work in progress, or overcome an old case of writer's block, *The Daily Writer* can help you establish and maintain an inspired devotion to the craft. ***** CLICK THE AUTHOR NAME "AFRICAAN PUBLICATIONS" FOR MORE JOURNALS & DIARIES ***** Be prepared and keep yourself organized for anything with this stylish Journal! Elegantly repackaged, *The Morning Pages Journal* is one of *The Artist's Way's* most effective tools for cultivating creativity, personal growth, and change. Now more compact and featuring spiral binding to make for easier use, these *Morning Pages* invite you to do three pages daily of longhand writing, strictly stream-of-consciousness, which provoke, clarify, comfort, cajole, prioritize, and synchronize the day at hand. This daily writing, coupled with the twelve-week program outlined in *The Artist's Way*, will help you discover and recover your personal creativity, artistic confidence, and productivity. *The Artist's Way Morning Pages Journal* includes an introduction by Julia Cameron, complete instructions on how to use the *Morning Pages* and benefit fully from their daily use, and inspiring quotations that will guide you through the process. Some of the most rewarding pages in Henry Miller's books concern his self-education as a writer. He tells, as few great writers ever have, how he set his goals, how he discovered the excitement of using words, how the books he read influenced him, and how he learned to draw on his own experience. The #1 New York Times bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the

tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal. "And what is this writing, anyway, as a human activity or as a vocation, or as a profession, or as a hack job, or perhaps even as an art, and why do so many people feel compelled to do it?" - from *On Writers and Writing*, by Margaret Atwood

Writing for yourself is a wonderful way to explore personal creativity and whatever you want to write, a daily practice will enhance your skill and confidence. *Write Every Day* is a brilliantly accessible book that demystifies the process and will help you see new ways to put pen to paper and discover your own unique writing style. Divided into 12 sections that range across voice, narrative, plot, structure, point of view, characterisation, dialogue, fiction, non-fiction, poetry, prose and memoir, Harriet Griffey shows you how to let go of any inhibitions, overcome writers block and expand your writing potential. Featuring creative writing tasks to develop ideas and skills, quick and simple word play tasks, as well as practical exercises, journal reminders and other writer's tips and inspiring quotes, *Write Every Day* is an exciting way to unleash your inner wordsmith, kick-start your imagination and get you writing. Chances are, whether you're a seasoned author or an aspiring scribe, you've grappled with your share of rejection, setbacks, and heartbreak. However, literary agents say the number one key to writing success is perseverance in the face of disappointment. *Daily Writing Resilience* provides advice, inspiration, and techniques to help you turn roadblocks into steppingstones. You'll find tips and support through exercises such as meditation, breath work, yoga, stress management, gratitude, de-cluttering, sleep, exercise, mindful eating, and more. These 365 meditations will help you navigate the ups-and-downs of your writing practice, creating positive habits that will guide you toward the success and fulfillment that you've been seeking. Praise: "This must-have collection of inspirational nuggets will nudge you free of writer's block. Even if you're not blocked, a morning commune with some of writing's great minds will put you in the right creative space."—Sara Gruen, #1 New York Times bestselling author of *Water for Elephants* "Every person with that little voice in their head—the one that tells them to write everyday—must own this book. Every page is full of hope and reality, just what we all need to keep us going."—Steve Berry, New York Times and # 1 Internationally bestselling author of *The Patriot Threat* "For every type of writer—new, old, fresh, tired, impassioned, cynical, hopeful . . . this gem is flat out inspiring."—M.J. Rose, New York Times bestselling author of *The Secret Language of Stones* "Bryan Robinson's *Daily Writing Resilience* is not only wise but also marvelously practical. The daily mantras he offers, taken from the experiences of those who've kept to the path, will provide much needed encouragement along the way. Take this book to heart, and then take it with you wherever you go."—William Kent Krueger, New York Times bestselling author of the multi-award winning *Ordinary Grace* and the *Cork O'Connor* series "You don't have to be a writer to treasure *Daily Writing Resilience*, a unique and uplifting meditation book. It's chock-full of insights so profound you'll be tempted to gobble it up in one bite!"—Cassandra King, author of *The Sunday Wife* and *Moonrise* "I urge both fledgling and experienced writers to get their hands on *Daily Writing Resilience* and keep it nearby for handy reference. Bryan Robinson knows his way around the head and heart of the working writer, and this book is a wonderful companion and a balm to the writer's soul."—John Lescroart, New York Times bestselling author "At last! A real tool for real writers, a reference book that should be on every writer's desk next to their *Thesaurus* and *Strunk & White Elements of Style*. A practical guide that can be used as a daily devotional or motivational tool to hold your hand, to guide you, to encourage you, and to pull you back from the ledge."—Karen White, New York Times bestselling author of *Flight Patterns* A 2018 Killer Nashville Silver Falchion Award Finalist A 2018 Top Shelf Magazine Indie Book Award Finalist The best way to reach your writing goals is to write every day, but research now says that it can take 66 days to create a habit. The *Write Every Day* journal offers 66 days of writing prompts and encouragement so you don't have to build your writing habit alone. Find out how to create the climate and space for everyday student writing. In this new co-publication with MiddleWeb, award-winning teacher Mary Tedrow shows you how to encourage students to integrate daily writing into their lives, leading to improved critical thinking skills, increased knowledge of subject areas, and greater confidence in written expression. This practical guide will help you consider the unique needs of your students, while still meeting state standards. You'll discover how to... Develop classroom routines and activities that invite creativity and self-expression Teach writing methods that can be used across different grade levels and all content areas Challenge students to examine their own writing processes for thinking and problem solving Evaluate written work in a way that emphasizes growth over grades Many exercises, prompts, and attempts at thinking found in the book can be easily adapted for use both in and out of the classroom. Whether you are a new or experienced teacher, *Write, Think, Learn* will enable you to make writing come alive for all your students. **BEST GIFT IDEA 2018 - SPECIAL PRICE-** Normally \$16.95 (WHILE STOCKS LAST) Creative Writing Prompts Are you ready for new challenges guaranteed to help you improve your creativity, writing and conceptual skills in just a few short hours? you writing. Each day of the year has its own, unique prompt. Set a timer for fifteen or twenty minutes, and write wherever the prompt takes you. Or, if you're between stories and looking for something different to work on, flip to the prompt for today (or any random page) and start fresh. This book will kick-start your writing or take you in exciting new directions every day of the year! "A roaring good read."—FORBES.com

Master sniper Bob Lee Swagger returns in this riveting novel by bestselling author and Pulitzer Prize winner Stephen Hunter. The Great Depression was marked by an epidemic of bank robberies and Tommy-gun-toting outlaws who became household names. Hunting them down was the new U.S. Division of Investigation--soon to become the FBI--which was determined to nab the most dangerous gangster this country has ever produced: Baby Face Nelson. To stop him, the Bureau recruited talented gunman Charles Swagger, World War I hero and sheriff of Polk County, Arkansas. Eighty years later, Charles's grandson Bob Lee Swagger uncovers a strongbox containing an array of memorabilia dating back to 1934--a federal lawman's badge, a .45 automatic preserved in cosmoline, a mysterious gun part, and a cryptic diagram--all belonging to Charles Swagger. Bob becomes determined to find out what happened to his grandfather-- and why his own father never spoke of Charles. But as he investigates, Bob learns that someone is following him--and shares his obsession. Told in alternating timeframes, G-Man is a thrilling addition to Stephen Hunter's bestselling Bob Lee Swagger series. The revised and enlarged third edition of Zinsser's trusted writing guide covers the principles of good writing while including information on technical, business and sports writing, humor, interviews, working with a word processor, sexism, and a writer's attitudes toward language and craft. From social media to school success—take student writing to the next level! Your students may not realize it, but they're already writers. All those informal text messages, Instagram captions, and Facebook posts have given them skills they can use as a springboard to the formal, content-specific writing they'll need for success in school, college, and careers. The key, of course, is practice—plus a little guidance from you. And you'll be ready, no matter what subject you teach, because this essential reference is packed with relevant, contemporary teaching strategies that are easily customizable to work across content areas. Inside, you'll find: Engaging exercises based in the kinds of writing students already do Versatile "parachute writings"—quick bursts of practice to drop into a day's lesson Strategies for introducing academic vocabulary and making it stick Skill-boosting strategies for successful summarizing and using textual evidence Variations specific to all disciplines and content areas Students should be writing daily, in all their classes, and they should be writing a lot, both inside and outside school. With this practical guide, you'll be ready to help them up their writing game—and make literacy relevant, valuable, and authentic. Educational resource for teachers, parents and kids! Aspiring doctors have medical school. Karate students have belts of different colors. Pianists have scales and arpeggios. But what system do writers have for getting and staying "in shape," to help them focus, practice, and make progress? A Writer's Workbook is Caroline Sharp's ingenious collection of exercises to inspire, encourage, warm up, and jump-start anyone who writes. A wise and funny friend who will cheerlead you through even your darkest can't-write days and "every idea I've ever had is awful" nights, she provides encouraging suggestions, hilarious observations, and an amazingly vivid catalogue of writers' neuroses (with advice on overcoming them, of course). From "Roget's Resume" and "Emulating Ernest" to "End Well," "The Rewrite Rut," and "Dear John," the exercises in this generous, wry workbook will keep your ideas fresh, your mind open, and your pen moving. A writing craft book that helps writers at all levels to create or enhance a daily writing habit. Living Write is a state of mind! By using a mix of anecdotal material from writers who have been there and a series of progressive and creative psychological exercises, professional counselor Kelly L. Stone shows you how to: Make writing a daily priority Maintain enthusiasm, motivation, and dedication for your long-term writing goals Overcome your fear of failure and gain confidence in your writing abilities Identify yourself as a "writer" instead of someone who casually sits down to write Each interactive exercise serves as a mental workout and helps you train your brain for writing success. You'll find a comprehensive program to reverse negative writing habits and move forward as a goal-oriented writer. This book also includes an instructive CD so you can put the techniques described in the book into practice right away--and make writing something you look forward to as much as your morning coffee! The author shares his insights into the craft of writing and offers a humorous perspective on his own experience as a writer.

STYLISH AND PROFESSIONAL JOURNAL/NOTEBOOK - The hard cover protects and also provides a handy surface for jotting down your notes. Smooth & Elegant black leather cover great for all kinds of occasions. Our notebooks are perfect for journals to writing in, or note taking in college classes or meetings.

THICK 120GSM Acid-free PAPER NOTEBOOKS - The paper 30% thicker and smoother than normal. Thick enough to avoid bleeding and ghosting. Suited to most pen types. Archival-quality pages made from acid-free paper-resists damage from light and air, the cream paper is easy on eyes.

PERFECT SIZE AND FUNCTIONAL JOURNAL - You can make a better mark with 3 ribbon bookmarks. Pen loop holds pen so that you will never lose your pen or rummage around for something to write. Expandable inner pocket for stashing loose notes, business cards, receipts, or other small items. 100 Pages (50 Sheets), 6" x 9".

LAY-FLAT 180° COLLEGE RULED NOTEBOOK - Each journal opens 180° for easy note taking and the spine will not break easily. Frustration-free writing experience with securely stitched and glued binding for a sturdy notebook that lasts.

GREAT GIFT CHOICE - Can be used as a bullet journal, school journal, travel notebook, diary, business / executive / office notebook, workout journal, recipe journal etc. A perfect Birthday gift, Father's day gift? Christmas gift for friends and families. Best gift for school children friends, Perfect for Business gifts, birthday,

wedding, fairs, the anniversary celebration, opening ceremony, employee benefits. Perfect size for handbag and schoolbag. It's perfect used as brainstorming ideas, creative writing, bullet journal, drama drafts, planning a holiday, keeping track of your workouts, or just doodling and drawing! Indestructible tells the shocking story of a marriage that didn't go as planned, the truth that shattered everything, and the beautiful unfolding of a woman who decided that saving her marriage wasn't worth losing herself. Like most people, Allison Fallon didn't get married thinking she would get divorced. In fact, marrying a pastor felt like the surest way to guarantee a safe and happy marriage. So when she found out the man she married was not the man she thought he was, she had some choices to make. A wrestling with faith and love, romance and drama, truth and fiction, this story calls into question what it means to fall in love, stay in love, and become a force of love and change in the world. Although Indestructible is only one woman's story, it serves as a powerful reminder to anyone who has been disillusioned by love that falling in love might be harder and easier than they ever imagined; and that "the one" they're looking for is closer than they think. From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well. 'What a great book and what an achievement. I loved it. It's pithy (in a sharp way), at times funny and at times heart-breaking but always optimistic. Above all, it's inspirational.' —Bob Selden, bestselling author of *What to Do When You Become the Boss*

After a failed suicide attempt, author Hedley Derenzie decided rather than escaping life, she would write her way through it, every day for the next thirty-one days. What started out as a simple yet challenging exercise soon turned into a life-changing adventure. It became an exploration of the creative process and what it means to find true fulfillment. *Write Way Home* is a personal, engaging story about one writer's quest to navigate her way back from the brink with the help of a daily creative practice. Written in clear and simple language, it offers insights and practical suggestions to anyone who might be feeling stuck or lost and looking for a way out — as in, a way back to life. *One Line A Day Five Year Journal* This is the perfect journal for those who wish to nurture a daily journaling discipline, yet don't have the time to write pages of detailed prose each day. This journal requires only one line of writing. Each day. For five years. This daily practice will help you develop the habit of recording your life, your experiences and your thoughts but will force you to focus upon the key points each day. Each page is a day of the year, split into 5 sections, so that you can record, read and compare your thoughts and actions across a five year time period in a quick and concise way. 6" X 9" Designed to easily fit into your purse, backpack or handbag. 365 Pages - One Page per Day - each page is split into five sections, representing five years. This journal is designed to be used over the course of any five year period. You fill in the date. Makes a great gift for beginners or those new to the world of journaling and diary-keeping. *Daily Diary / journal / notebook* to write in, for creative writing, for creating lists, for Scheduling, Organizing and Recording your thoughts. Makes an excellent gift for any special person in your life. Perfectly sized at 6 x 9 100 pages Softcover bookbinding Flexible Paperback *The Daily Writing Log* is designed to help writers track their daily progress on writing projects. It's perfect for the beginner novelist who is trying to form a writing habit or survive Nanowrimo. It's also designed for seasoned writers who desire to keep track of their word counts and progress for multiple projects. It includes pages to track word count, session times, and the status of writing projects. This book can be used for a single writing project or multiple projects. Each log page features inspirational sayings to encourage daily writing. Plus, at the start of the book are sections for goal setting and making sure that your writing environment works for you. Is writer's block keeping you from writing every day? The second half of the book has 32 pages designed for pouring out your thoughts about where you are stuck, helping you to sort through knotty writing problems mentally so you can keep writing daily. Let Great Reading Fuel Your Writing Great writers read—voraciously and across many topics and genres. They read to learn, to research, to study the style of others, and to improve their own work. They read because they love the written word. But becoming well read takes time, dedication, and patience. The thought can be daunting—especially when you're eager to get to your own writing. Fred White, author of *The Daily Writer*, helps you sort through the plethora of reading material available by providing you with 366 engaging excerpts from ancient poetry to modern science, on topics from allegory to food to writer's block. Each thoughtfully chosen excerpt is followed by a brief reflection and a prompt that allows you to integrate elements from each piece into your own writing. *The Daily Reader* makes broad reading accessible, invigorates your thirst for the written word, and equips you to put the power of the pros behind your writing. Last year, I published a book of writing prompts to help jumpstart muses and get the creative juices flowing. Many of the prompts that didn't make the cut in that book were salacious, to say the least. As an erotica writer, I sometimes like to think outside my own boundaries

and try to tackle the art of writing sex in new and exciting ways. Let's be honest -- there are only so many things you can say about sex before you start feeling as if the scene has become rote or mechanical. The romance of your first sex story soon dulls with time, almost like a marriage, and you're left wondering what happened to the excitement you felt when you first fell in love with writing about ... well, love. That's why I decided to write a book of writing prompts geared specifically towards the erotica writer. Maybe you want a different position, or a new way of thinking about a familiar scene. Maybe you want to try your hand at something you've never dared write before. Maybe you just want to write about two people getting it on and don't really know where to begin. This collection of 366 writing prompts can be used daily throughout the year (leap years, too!) as a starting point to get you writing ... and keep you writing. Each day of the year has its own, unique prompt. Set a timer for fifteen or twenty minutes, and write wherever the prompt takes you. Or, if you're between stories and looking for something different to work on, flip to the prompt for today (or any random page) and start fresh. This book will kick-start your writing or take you in exciting new directions every day of the year! A chance meeting with a handsome stranger turns into a whirlwind affair that gets everyone talking in this New York Times bestseller. Dating is the last thing on Olivia Monroe's mind when she moves to LA to start her own law firm. But when she meets a gorgeous man at a hotel bar and they spend the entire night flirting, she discovers too late that he is none other than hotshot junior senator Max Powell. Olivia has zero interest in dating a politician, but when a cake arrives at her office with the cutest message, she can't resist—it is chocolate cake, after all. Olivia is surprised to find that Max is sweet, funny, and noble—not just some privileged white politician, as she assumed him to be. Because of Max's high-profile job, they start seeing each other secretly, which leads to clandestine dates and silly disguises. But when they finally go public, the intense media scrutiny means people are now digging up her rocky past and criticizing her job, even her suitability as a trophy girlfriend. Olivia knows what she has with Max is something special, but is it strong enough to survive the heat of the spotlight?
