Library Journal (Starred Review) The first in a fun, flirty new series from Mia Sosa! After a very public breakup with a media-hungry politician, fitness trainer Tori Alvarez escapes to Aruba for rest, relaxation, and copious amounts of sex on the beach—the cocktail, that is. She vows to keep her vacation a man-free zone but when a cute guy is seated next to her on the plane, Tori can't resist a little harmless flirting. Hollywood heartthrob Carter Stone underwent a dramatic physical transformation for his latest role and it's clear his stunning seat mate doesn't recognize the man beneath the shaggy beard and extra lean frame. Now Carter needs help rebuilding his buff physique and Tori is perfect for the job. It doesn't hurt that she makes his pulse pound in more ways than one. Sparks are flying, until a pesky paparazzo reveals Carter's identity. Tori is hurt and pissed. She wants nothing to do with another man in the limelight, but she's still got to whip him into shape. Can Carter convince Tori he's worth the threat to her privacy that comes with dating a famous actor, or will Tori chisel him down to nothing before he even gets the chance? Grab the popcorn... Seattle meant safety. A new start for me and my little girl. I didn't anticipate falling for a new guy. Especially not my boss. It was the dream job – in a city miles from that asshole, my ex. I just wanted to get on and work, make a fresh start. But Alex is the kind of guy you can feel in a room. Perfect body, dark tousled hair that begs for my fingers to entwine in the curls. Sultry blue eyes that send electric shocks to my core. Nah-ah. We're not going there girl. I've got baggage – the perfect kid... and her abusive dad. I don't need the complications of an office romance. But... what if this man is my future? When the shit hits the fan, he picks me up. When the calls start, and danger stalks me, will his love keep me going? A U.S. release of an award-winning book from Australia follows the relationship between a leukemia survivor and the not-so-stoic cancer patient new friend whom he cannot forget after they are released from the hospital. 20,000 first printing. NEW YORK TIMES BESTSELLER • “A simply elegant memoir.”—Newsweek In this exquisitely written memoir, Mia Farrow takes us on a journey into her remarkable life. As the daughter of actress Maureen O’Sullivan and film director John Farrow, she lived what was by all appearances a charmed and privileged childhood. But below the surface, money troubles, marital tensions, drinking, and occasionally violence marred the Hollywood illusion. And when Mia was nine, she would be forever wrenched from childhood by the terrible

isolation of a bout with polio. Her father’s death propelled her out into the world, where she embarked onto an acting career that included television, theater, and film—from her debut in Peyton Place to her first starring role in Rosemary’s Baby, and on to her thirteen films with Woody Allen. Here is a luminous memoir of childhood and motherhood, a thoughtful exploration of a spiritual journey, and a candid examination of her marriages to Frank Sinatra and André Previn and her close but troubled twelve-year relationship with Woody Allen. Told with grace and deep understanding, as well as humor, *What Falls Away* is an unforgettable book, an extraordinary record of an extraordinary life. There were two brothers—identical twins—and though I loved them both, my soul belonged to only one. Annalia Del Valle has loved Preston Sawyer all her life. The daughter of an impoverished migrant farmworker, she grew up as an outcast in what was no more than a tiny, cooped up shack in California’s Central Valley. But her heart found freedom in the land, in the wide-open spaces of Sawyer Farm, and in the boys who were her only friends. Preston has yearned for Annalia since he was a boy. But a sense of honor kept him from pursuing her until he’s unable to hold back any longer and their worlds—and bodies—collide one hot summer night. A night that sets off a chain of events that will alter their lives forever. Now Annalia is back in town after disappearing without a trace for six long months. Determined to reclaim her heart, her life, and the baby she left behind—the son who was created in a moment of lust and love and pent-up yearning. Preston has survived grief, a ravaging drought, and the despair of heartache, but he’s not sure he can survive Annalia again. And he might be unwilling to try. Will pride and bitterness keep him from the one thing he’s always longed for? How do you heal what is irreparably broken? How do you forgive that which is unforgivable? How do you discover that real honor comes not from circumstance, but from the place deep in our hearts where truth resides? And how do you move beyond the wounds of the past to discover that some loves are as solid as the ground beneath your feet, and as enduring as the earth itself? **THIS IS A STAND-ALONE SIGN OF LOVE NOVEL, INSPIRED BY GEMINI.**

New Adult Contemporary Romance: Due to strong language and sexual content, this book is not intended for readers under the age of 18. Jae, like most young women from her neighborhood, has big dreams and even bigger plans for her life. Yet, where she comes from, dreams don’t always come true without a plan and the right people on her side. Unfortunately for her, a strung-out aunt and a bad living situation make for a recipe for disaster... unless she gets smart and find a good come up. With no viable options she can live with, she devises another plan—one that will guarantee good money but will also go against everything she believes and all she wants for herself. An audience of hungry eyes. And him, the other half of my soul, our supple bodies moving as one . . . Sundara: the lush and forbidden oasis in the desert where men travel to watch acts of sexual deviancy, and the only existence seventeen-year-old Karys has ever known. But despite a life where secrets and sin are in high supply, and freedom remains far beyond their reach, Karys and her partner Zakai find safety in each other, their passionate love the light that helps them both survive the darkness. Very suddenly, Karys and Zakai find themselves in the bright and confusing world of New York City, navigating separation, school, and relatives who are all but strangers. If they’ve been found, why do they still feel so lost? As their new lives threaten to drive them apart, and Zakai spins out of her grasp, Karys must figure out who and what can be trusted in this strange city, seemingly filled with more venom than the desert they once called home. "When ballet dancer Clara Campbell arrives in New Orleans, lonely and homesick, she is immediately captivated by the story of Windisle Plantation and the tragic tale that is said to have transpired beyond its gate. Legend has it that it is abandoned by all living souls, but to Clara's great surprise, it is not a ghost she hears through the stone wall surrounding the property, but a flesh and blood man. A scarred stranger with a pain deeper and darker than the churning waters of the Mississippi river that flows beside his self-imposed prison. The ruined man behind the wall hides himself from the world. The last thing he expects is to find a friend in the selfless girl who speaks to him through the cracks in the rock. The girl who makes him wish for things he has long since given up on. The girl who strikes both fear and hope within his wounded heart. But there can be no future for them, no life beyond Windisle, for no one knows better than him that monsters only live in the dark." -- back cover. Ford, New York Times bestselling author of Somebody’s Daughter** When she was twenty-six and broke, Skye didn’t think twice before selling her eggs and happily pocketing the cash. Now approaching forty, Skye still moves through life entirely—and unrepentantly—on her own terms, living out of a suitcase and avoiding all manner of serious relationships. Maybe her junior high classmates weren’t wrong when they voted her “Most Likely to Be Single” instead of “Most Ride-or-Die Homie,” but at least she’s always been free to do as she pleases. Then a twelve-year-old girl tracks Skye down during one of her brief visits to her hometown of Philadelphia and informs Skye that she’s “her egg.” Skye’s life is thrown into sharp relief and she decides that it might be time to actually try to have a meaningful relationship with another human being. Spoiler alert: It’s not easy. Things get even more complicated when Skye realizes that the woman she tried and failed to pick up the other day is the girl’s aunt, and now it’s awkward. All the while, her brother is trying to get in touch, her mother is being bewilderingly kind, and the West Philly pool halls and hoagie shops of her youth have been replaced by hipster cafés. With its endearingly prickly narrator and a cast of characters willing to both challenge her and catch her when she falls, this novel is a clever, moving portrait of a woman and the relationships she thought she could live without. Secret Agent Jake Anderson would rather have the measles than love his best friend's wife. So when she gives him a mission--to find his own woman to love--he knows just the woman to target. Exotic beauty Tia Richards--his new partner--is wild, twisted, and has no limits when it comes to adventure, in bed and out. She's perfect for him. Now he just has to get Tia and his heart to agree. Sexy spy Tia Richards has a problem, and the solution is Jake. The last time they hooked up, he left her bound and begging, unfulfilled, so close to finally getting the fireworks she deserves. But Jake loves his former partner, and Tia refuses to be second best. Will she listen to the ache in her heart that whispers she has what it takes to be first in Jake's life, or will lethal limits separate them forever? Fall in love with this emotional New York Times bestselling romance between two tortured souls who find their chance at happiness in the most unexpected way. I wanted to lose myself in the small town of Pelion, Maine. To forget everything I had left behind. The sound of rain. The blood. The coldness of a gun against my skin. For six months, each breath has been a reminder that I survived -- and my dad didn't. I'm almost safe again. But the moment I meet Archer Hale, my entire world tilts on its axis . . . and never rights itself again. Until I trespass into his strange, silent, and isolated world, Archer communicates with no one. Yet in his whiskey-colored eyes, something intangible happens between us. There's so much more to him than just his beauty, his presence, or the ways his hands communicate with me. On me. But this town is mired in secrets and betrayals, and Archer is the explosive center of it all. So much passion. And so much hurt. But it's only in Archer's silence that we might just find what we need to heal . . . and live. Includes an exclusive extended epilogue from Archer's POV! Named one of the "Top Romance Novels of All Time" by Goodreads! A New York Times, USA Today, and Wall Street Journal bestseller! When FBI Special Agent Mia North is framed for murder, she finds herself sentenced to years in prison, her life and career over. But when Mia, unwilling to back down, escapes and turns into a fugitive, she continues to hunt down killers and solve active cases—all while trying to clear her own name. In *SEE HER RUN* (A Mia North FBI Suspense Thriller—Book One), Special Agent Mia North is a rising star in the FBI—until, in an elaborate setup, she’s framed for murder and sentenced to prison. When a lucky break allows her to escape, Mia finds herself a fugitive, on the run and on the wrong side of the law for the first time in her life. She can’t see her young daughter—and she has no hope of returning to her former life. The only way to get her life back, she realizes, is to hunt down whoever framed her. A diabolical killer that Mia once put behind bars is freed on parole. He taunts her while she’s in prison, now on the other side of the Visitor glass, and boasts of a murder he is about to commit. Mia, locked in jail, will be helpless to stop it. With time running out, Mia must use her sharpest instincts to escape, evade the law, and stop him before he claims his next victim. Can she hunt down the killer and save the victim—and herself? Will she find herself back in jail? Or worse—at the mercy of a killer, without any backup? An action-packed page-turner, the *MIA NORTH* series is a riveting crime thriller, jammed with suspense, surprises, and twists and turns that you won’t see coming. Fall in love with this brilliant new female protagonist and you’ll be turning pages late into the night. Books #2-#6 in the series—*SEE HER HIDE*, *SEE HER SCREAM*, *SEE HER VANISH*, *SEE HER GONE*, and *SEE HER DEAD*—are now also available. Named one of the most anticipated books of 2022 by EW, Oprah Daily, Marie Claire, Goodreads and Bookpage! The USA Today bestselling author of *The Worst Best Man* is back with a hilarious rom-com about two strangers who get trapped in a lie and have to fake date their way out of it... Just weeks away from ditching DC for greener pastures, Solange Pereira is roped into helping her wedding planner cousin on a random couple’s big day. It’s an easy gig... until Solange stumbles upon a situation that convinces her the pair isn’t meant to be. What’s a true-blue romantic to do? Crash the wedding, of course. And ensure the unsuspecting groom doesn’t make the biggest mistake of his life. Dean Chapman had his future all mapped out. He was about to check off “start a family” and on track to “make partner” when his modern day marriage of convenience went up in smoke. Then he learns he might not land an assignment that could be his ticket to a promotion unless he has a significant other and, in a moment of panic, Dean claims to be in love with the woman who crashed his wedding. Oops. Now Dean has a whole new item on his to-do list: beg Solange to be his pretend girlfriend. Solange feels a tiny bit bad about ruining Dean’s wedding, so she agrees to play along. Yet as they fake-date their way around town, what started as a performance for Dean’s colleagues turns into a connection that neither he nor Solange can deny. Their entire romance is a sham... there’s no way these polar opposites could fall in love for real, right? "Mia Sosa... is genuinely a master of the modern romance novel." — *Cosmopolitan* My name is Mia Austin. I have locked-in syndrome after having a stroke at the age of twenty-one. This is a book like no other. Its short snippets of what I can remember of my journey from the night before my accident, through to each ward I was thrown into, and finally, my coming home and getting my life back. Expect laughs, amazement, and surprises. Warning: this girl has attitude! An Invitation to Community and Models for Connection After almost every presentation activist and writer Mia Birdsong gives to executives, think tanks, and policy makers, one of those leaders quietly confesses how much they long for the profound community she describes. They have family, friends, and colleagues, yet they still feel like they're standing alone. They're "winning" at the American Dream, but they're lonely, disconnected, and unsatisfied. It seems counterintuitive that living the "good life"--the well-paying job, the nuclear family, the upward mobility--can make us feel isolated and unhappy. But in a divided America, where only a quarter of us know our neighbors and everyone is either a winner or a loser, we've forgotten the key element that helped us make progress in the first place: community. In this provocative, groundbreaking work, Mia Birdsong shows that what separates us isn't only the ever-present injustices built around race, class, gender, values, and beliefs, but also our denial of our interdependence and need for belonging. In response to the fear and discomfort we feel, we've built walls, and instead of leaning on each other, we find ourselves leaning on concrete. Through research, interviews, and stories of lived experience, *How We Show Up* returns us to our inherent connectedness where we find strength, safety, and support in vulnerability and generosity, in asking for help, and in being accountable. Showing up--literally and figuratively--points us toward the promise of our collective vitality and leads us to the liberated well-being we all want. Based on the life of IRL YouTube sensation Mia Fizz, *FAN TAKEOVER* is the first in a new series that takes you behind the camera and into the world of a social media star! Famous YouTuber Mia Fizz has two problems: one, she needs to shake up the content on her channel. Two, her little sister Sienna's birthday is just days away, and she hasn't found the perfect present for a viral birthday reveal. In need of inspo, Mia turns to her beloved fans. It's time for a fan takeover! Each day Mia will have to do one

thing her fans choose. Things get complicated when Mia's followers challenge her to try something that's way outside her comfort zone—and she meets a cute guy in the process. Her fans pose a scary idea: what if Mia talks to him? Embarrassing moments, hilarious vids, and fan encounters ensue ... but will any of these wild challenges help Mia figure out what to get Sienna for her birthday? The follow-up to *Where the Blame Lies--Where the Truth Lives* is a gripping, page-turning, romantic thriller that will leave you gasping for breath. When the director of a local mental health hospital is found murdered and mutilated, Homicide Detective Reed Davies is first on scene. What was done to the body is gruesome. Inexplicable. But Reed is dealt another curveball when he finds that the doctor who discovered the victim is someone Reed is intimately familiar with—a woman with whom he shared one passionate night weeks before. Dr. Elizabeth Nolan is somehow tangled up in the crime, and even while Reed must now question her possible involvement, he can't help being drawn to the beautiful, enigmatic woman. As more bodies appear and the devious killer terrorizes Cincinnati, a shocking connection begins to emerge, one that not only involves Dr. Nolan, but Reed himself. A connection more twisted and elaborate than he can imagine. Now Reed must hunt the monster down, a killer who will stop at nothing to see his diabolical plan to its final, deadly conclusion. Lydia De Havilland is shocked when Brogan Ramsay suddenly reappears in her life. Several years before, Brogan was the son of her family's gardener, and the boy she hurt and betrayed. But Brogan is no longer the quiet, sensitive boy she remembers. Now he's a man—gorgeous, powerful . . . and seeking vengeance. Brogan Ramsay can't let go of the memory of Lydia tricking him cruelly, leaving his heart shattered and his family penniless. And now he's back to destroy her family the way his was destroyed. There's only one problem . . . the girl who wounded him so badly years ago is now a woman who still has the power to render him breathless. Ramsay is the story of betrayal and wrath, of the strength of regret and the power of forgiveness. It is the story of the thin veil between love and hate, and how more often than not, when we seek to inflict pain on others, the heart we wound is our own.

She's even more heartbroken and confused when a hired private investigator tracks him half a world away, to a seaside town in Colombia. But the country has recently been ravaged by a massive earthquake and deadly tsunami, shutting down outside communication and making travel all but impossible. Still, Olivia is determined to make it to Colombia to find the answers she so desperately seeks. What she needs is a guide—a mercenary. The man named Thomas arrives in shadows, an unmistakable air of danger about him, promising to help lead her through the ruined, crime-infested country. But when Thomas and Olivia find themselves fighting an undeniable attraction, danger takes on a whole new meaning. Then again, in the lush jungles of South America, all the rules are different and Thomas and Olivia are about to discover that sometimes the thing you seek, isn't necessarily the thing you find. **THIS IS A STANDALONE SOLSTICE NOVEL.** Contemporary Romance: Due to strong language and sexual content, this book is not intended for readers under the age of 18. Can the new Fashion Club be the icing on the cupcake for Mia, or is she in over her head? When fashionista Mia hears someone is starting a Fashion Club at school, how can she resist? But can she manage to take part in two clubs at the same time? And what will her Cupcake Club friends think about this? Worst of all, Mia's frenemy Olivia Allen wants to be in charge of the Fashion Club. Can Mia and Olivia make peace long enough to survive a fashion show? An unexpected phone call. A chance to meet again. Can they set old heartbreaks aside and return to the life they both long for? Since his wife Lydia walked out the door without a backward glance, Luke Showalter has been trying to pick up the pieces of his broken heart, throwing himself headlong into his work and dipping his toes into the dating world for the first time in five years. There's just one problem, though. He's still in love with her—and everyone in Dolphin Bay knows it. * When Lydia Showalter's job as a wedding planner forces her to return to the island—and the man—she abandoned long ago, her plan is simple: get in, see her bride down the aisle, and get out again... as fast as she can. And if she doesn't have to face Luke in the process? So much the better. But sometimes fate has different plans. Visit the beautiful island of Dolphin Bay, where friendship, hope, love, and pastries are plentiful. This small-town women's fiction series is perfect for readers of all ages. Mia goes on vacation and meets up with the girls from the Sprinkle Sundays series in the latest addition to the Cupcake Diaries series! Things are slow at the cupcake shop this summer, and so when Mia's dad invites her on a long weekend trip to meet some of his college friends, she jumps at the chance—especially when she hears they have daughters her age. It turns out the girls work in an ice cream shop. Not only does Mia end up making new friends—she comes back with a new invention for the Cupcake Girls: an ice-cream cone cupcake! I had saved my v- card for the right man.... I knew who it would be He has mesmerized me with his looks, Intoxicated me with his taste. I know it is forbidden, And can't do a thing about it. It's so hard to fight my feelings, And then... He makes me pregnant! What do I do now? Should I tell the world and my dad, in spite of the age-difference.... In spite of the fact that he is Daddy's Best Friend and that I am **BREAKING ALL RULES** to get him! **This book includes **FRENCHED** (Mia and Lucas) and **YANKED** (a Mia and Lucas novella)****FRENCHED:** When I got dumped by my stupid fiancé a week before the wedding, my plans involved nothing more than ice cream, and blanket fort, and a bonfire of his possessions. But my friends convinced me that bitter tastes better drowned in Bordeaux, so I came to Paris for a single-moon. Then I met him. He's shown me things I've never seen before, and I'm not talking about the Louvre. Is it just the seduction of Paris? Or could this be the real thing? **YANKED:**I never expected any of this- Getting dumped. Going to Paris alone. Falling for Lucas (he was so not on my list). We've done the long-distance-love thing for eight months now, and I'm ready for more. But after I discover what he's been hiding, will he stay on my list? Or should I cross him off for good? She's wild and innocent. Me? I have scars that might scare her away. Tia Cooke... The way her blonde hair falls over her face is hypnotizing. Women have always circled around me. But she's the only one who makes me stop and take notice. It was supposed to be a one-night stand. But her green eyes and luscious lips begged me for more. Things got intense in the bedroom... Way more fun than a sleazy night with a random girl. Now I want to leave my playboy lifestyle behind. And I want this woman to be my future. My billion-dollar fortune means nothing without her by my side. I need to make her mine. And I need to keep her safe. Even if that means protecting her from the mafia... And shielding her from my own family. Scarlett Lattimore arrives at Lilith House, an abandoned mansion built in 1876, that later housed a reform school for troubled girls, to start a new life with her seven-year-old daughter. But between the nearby town with the strange, disconcerting feel, the deputy sheriff who is equal parts intriguing and suspicious, and the discovery that their new home holds a dark and violent past, Scarlett soon begins to question her rash decision. She is shaken and afraid by the screams that echo in the walls and the drumbeat that arises from the surrounding woods where the ghost of an indigenous man is said to roam, seeking vengeance. Her fear is also personal, because Scarlett knew one of the girls who attended the school, a friend who escaped into those woods and was never seen again. They all thought she was a rebellious runaway who later encountered foul play, but perhaps the truth is far more sinister. As Scarlett's extraordinary daughter Haddie becomes consumed by the eerie figure who weaves and beckons through the forest fog, and a legacy of secrets reveal themselves, it becomes clear both Scarlett and Haddie are in grave danger. When the past intersects with the present, they will come face to face with the true evil of Lilith House. An evil that has lasted for more than a century.
