Three girls have something in common with their fairytale sisters--they are the stepdaughters of three very evil stepmothers. They think they are alone in their unhappiness until they arrive at a posh boarding school in Massachusetts, where they will plot their revenge. But first, they have to meet. Poison Apple Books: Thrilling. Bone-chilling. These books have bite! Hannah isn't thrilled to be moving in with her dad and his new family, who live right next to a spooky cemetery. Luckily, Hannah doesn't believe all the "ghost cat" stories she's heard about the graveyard. Not so luckily, the cemetery is the least of Hannah's troubles. Her stepsister, Madison, is the meanest girl in Hannah's grade. Her cat, Icky, has been missing since the move. And worst of all, Hannah can't sleep at night: Something keeps scratching at her door, but when she looks for it, nothing is ever there! Hannah's starting to wonder -- could those scary stories be true after all? Chloe never thought she'd have a friend as stylish, confident... or mysterious as Taylor. And Taylor definitely has secrets. She doesn't like to talk about where she's from, and she has a weird habit of predicting things before they happen. And she has a nasty jealous streak. Sometimes Taylor gets so green with envy she doesn't even seem human. So when a string of "accidents" hurts everyone who's ever had something Taylor wanted, Chloe is scared for her friend. Is Taylor just a mean girl or could she really be... some kind of monster? Fearless, fashionable Emma is everything Anna wants to be, but when Emma's troublemaking ways put Anna in danger, Anna wonders if Emma may be her evil twin Casey Slater's parents buy a summer home in a small town in New Hampshire, a house that the locals believe to be haunted, and Casey experiences frightening events which make her believe that the ghost is trying to scare her family away. The acclaimed national and international bestseller "Epic, romantic, and enthralling from start to finish."—Stephanie Garber, #1 New York Times bestselling author of the *Caraval* series "An all-consuming work of literary fantasy that is breathtaking both for its beauty and its suspense."—BookPage, starred review A captivating and romantic debut epic fantasy inspired by the legend of the Chinese moon goddess, Chang'e, in which a young woman's quest to free her mother pits her against the most powerful immortal in the realm. Growing up on the moon, Xingyin is accustomed to solitude, unaware that she is being hidden from the feared Celestial Emperor who exiled her mother for stealing his elixir of immortality. But when Xingyin's magic flares and her existence is discovered, she is forced to flee her home, leaving her mother behind. Alone, powerless, and afraid, she makes her way to the Celestial Kingdom, a land of wonder and secrets. Disguising her identity, she seizes an opportunity to learn alongside the emperor's son, mastering archery and magic, even as passion flames between her and the prince. To save her mother, Xingyin embarks on a perilous quest, confronting legendary creatures and vicious enemies. But when treachery looms and forbidden magic threatens the kingdom, she must challenge the ruthless Celestial Emperor for

her dream—striking a dangerous bargain in which she is torn between losing all she loves or plunging the realm into chaos. Daughter of the Moon Goddess begins an enchanting duology which weaves ancient Chinese mythology into a sweeping adventure of immortals and magic, of loss and sacrifice—where love vies with honor, dreams are fraught with betrayal, and hope emerges triumphant. In the early days of the Civil War, rumors of gold in the frozen Klondike brought hordes of newcomers to the Pacific Northwest. Anxious to compete, Russian prospectors commissioned inventor Leviticus Blue to create a great machine that could mine through Alaska's ice. Thus was Dr. Blue's Incredible Bone-Shaking Drill Engine born. But on its first test run the Boneshaker went terribly awry, destroying several blocks of downtown Seattle and unearthing a subterranean vein of blight gas that turned anyone who breathed it into the living dead. Now it is sixteen years later, and a wall has been built to enclose the devastated and toxic city. Just beyond it lives Blue's widow, Briar Wilkes. Life is hard with a ruined reputation and a teenaged boy to support, but she and Ezekiel are managing. Until Ezekiel undertakes a secret crusade to rewrite history. His quest will take him under the wall and into a city teeming with ravenous undead, air pirates, criminal overlords, and heavily armed refugees. And only Briar can bring him out alive. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. A riveting family saga, The Story of Edgar Sawtelle explores the deep and ancient alliance between humans and dogs, and the power of fate through one boy's epic journey into the wild. Born mute, speaking only in sign, Edgar Sawtelle leads an idyllic life with his parents on their farm in remote northern Wisconsin. For generations, the Sawtelles have raised and trained a fictional breed of dog whose thoughtful companionship is epitomized by Almondine, Edgar's lifelong companion. But with the unexpected return of Claude, Edgar's uncle, turmoil consumes the Sawtelle's once-peaceful home. When Edgar's father dies suddenly, Claude insinuates himself into the life of the farm - and into Edgar's mother's affections. Grief-stricken and bewildered, Edgar tries to prove Claude played a role in his father's death, but his plan backfires, spectacularly. Edgar flees into the vast wilderness lying beyond the farm. He comes of age in the wild, fighting for his survival and that of the three yearling dogs who follow him. But his need to face his father's murderer, and his devotion to the Sawtelle dogs, turn Edgar ever homeward. Wroblewski is a master storyteller, and his breathtaking scenes - the elemental north woods, the sweep of seasons, an iconic American barn, a ghost made of falling rain - create a family saga that is at once a brilliantly inventive retelling of Hamlet, an exploration of the limits of language, and a compulsively readable modern classic. Europe is at war, and when Christa is persuaded by the glamorous and mysterious Lady Prince to blow up the Nazi lab where she works she is forced to flee to Britain. However, Christa is pursued by the jealous and vindictive Doctor Weiss, who remains determined to eliminate anyone who may challenge her mantle as best scientist. Can Lady Prince save her from her fate so they can have their happily ever after? 'Breathtaking.' Sunday Times 'Exquisite.' The Times 'Beautiful.' Independent 'Powerful.' New York Times An international bestseller and a modern classic, this suspenseful epic of one family's tragic undoing and their remarkable reconstruction has been read, adored and shared by millions around the world. This story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it - from garden seeds to Scripture - is calamitously transformed on African soil. What readers are saying 'This remains one of the most fascinating books I have ever read.' 'I felt every emotion under the sky with this book.' 'Riveting.' 'This novel left a lasting - YEARS LASTING - impression.' 'This is one of those books that stands the test of time and is worth rereading.' 'Five epic, no-wonder-this-book-is-so-well-loved stars!' When Hannah moves next door to a spooky cemetery, she doesn't believe the legend of a ghost cat stalking the grounds, but the disappearance of her half-sister's cat Icky and strange occurrences around the house have her reconsidering. In a perfect world, software engineers who produce the best code are the most successful. But in our perfectly messy world, success also depends on how you work with people to get your job done. In this highly entertaining book, Brian Fitzpatrick and Ben Collins-Sussman cover basic patterns and anti-patterns for working with other people, teams, and users

while trying to develop software. This is valuable information from two respected software engineers whose popular series of talks—including "Working with Poisonous People"—has attracted hundreds of thousands of followers. Writing software is a team sport, and human factors have as much influence on the outcome as technical factors. Even if you've spent decades learning the technical side of programming, this book teaches you about the often-overlooked human component. By learning to collaborate and investing in the "soft skills" of software engineering, you can have a much greater impact for the same amount of effort. Team Geek was named as a Finalist in the 2013 Jolt Awards from Dr. Dobb's Journal. The publication's panel of judges chose five notable books, published during a 12-month period ending June 30, that every serious programmer should read.

"Then a ghostly pale girl moves in next door. But every time Libby tries to talk to Julia, she has a strange way of disappearing. And when Libby sees the words Help Me scrawled on Julia's bedroom window, she starts to suspect that something seriously creepy -- supernatural, even -- is going on." -- P. [4] of cover.

Forecasting is required in many situations. Stocking an inventory may require forecasts of demand months in advance. Telecommunication routing requires traffic forecasts a few minutes ahead. Whatever the circumstances or time horizons involved, forecasting is an important aid in effective and efficient planning. This textbook provides a comprehensive introduction to forecasting methods and presents enough information about each method for readers to use them sensibly.

Meet the Matthews... before the next one dies

It's no ordinary morning at the Poplars—the master is found dead in his bed, and it seems his high blood pressure was not the cause. When an autopsy reveals a sinister poison in his body, it's up to the quietly resourceful Inspector Hannasyde to catch the murderer in time to spare the next victim. But every single member of the quarrelsome Matthews family has a motive and none, of course, has an alibi. "The ingredients are so well and carefully mixed, the writing is so bright, and the solution so unexpected that the book achieves success and remains one no reader can fail to enjoy."—Manchester Guardian

"A marvelous mélange of malice, murder, mystery, and mirth. Priceless!"—Saturday Review

Sometimes bad decisions come back to bite you... The princess is too sweet, too kind—but the witch knows just how to handle a princess like that. One bite from a painstakingly made poisoned apple should do it! Once the apple is in the hands of the princess, the plan is in motion. But when the kindhearted princess gives the apple away, the witch watches as her plot spirals out of control. Can she get the apple back before it's too late? Who will end up with a happily ever after? What goes around comes around in this darkly humorous fairy tale, sure to keep readers on the edge of their seats and howling with laughter. Every little girl goes through her princess phase, whether she wants to be Snow White or Cinderella, Belle or Ariel. But then we grow up. And life is not a fairy tale. Christine Heppermann's collection of fifty poems puts the ideals of fairy tales right beside the life of the modern teenage girl. With piercing truths reminiscent of Laurie Halse Anderson and Ellen Hopkins, this is a powerful and provocative book for every young woman. E. Lockhart, author of *We Were Liars*, calls it "a bloody poetic attack on the beauty myth that's caustic, funny, and heartbreaking." Cruelties come not just from wicked stepmothers, but also from ourselves. There are expectations, pressures, judgment, and criticism. Self-doubt and self-confidence. But there are also friends, and sisters, and a whole hell of a lot of power there for the taking. In fifty poems, Christine Heppermann confronts society head on. Using fairy tale characters and tropes, *Poisoned Apples* explores how girls are taught to think about themselves, their bodies, and their friends. The poems range from contemporary retellings to first-person accounts set within the original tales, and from deadly funny to deadly serious.

Complemented throughout with black-and-white photographs from up-and-coming artists, this is a stunning and sophisticated book to be treasured, shared, and paged through again and again. In the aftermath of a cataclysmic event, sixteen-year-old Evie, from a well-to-do Louisiana family, learns that her terrible visions are actually prophecies and that there are others like herself—embodiments of Tarot cards destined to engage in an epic battle. This book "draws on fairy tales as the context for practicing the scientific method and learning scientific knowledge."--Cover back.

A New York Times Notable Book

The inspiration for PBS's AMERICAN EXPERIENCE film *The Poison Squad*. From Pulitzer Prize winner and New York Times bestselling author Deborah Blum, the dramatic true story

of how food was made safe in the United States and the heroes, led by the inimitable Dr. Harvey Washington Wiley, who fought for change. By the end of nineteenth century, food was dangerous. Lethal, even. "Milk" might contain formaldehyde, most often used to embalm corpses. Decaying meat was preserved with both salicylic acid, a pharmaceutical chemical, and borax, a compound first identified as a cleaning product. This was not by accident; food manufacturers had rushed to embrace the rise of industrial chemistry, and were knowingly selling harmful products. Unchecked by government regulation, basic safety, or even labelling requirements, they put profit before the health of their customers. By some estimates, in New York City alone, thousands of children were killed by "embalmed milk" every year. Citizens--activists, journalists, scientists, and women's groups--began agitating for change. But even as protective measures were enacted in Europe, American corporations blocked even modest regulations. Then, in 1883, Dr. Harvey Washington Wiley, a chemistry professor from Purdue University, was named chief chemist of the agriculture department, and the agency began methodically investigating food and drink fraud, even conducting shocking human tests on groups of young men who came to be known as, "The Poison Squad." Over the next thirty years, a titanic struggle took place, with the courageous and fascinating Dr. Wiley campaigning indefatigably for food safety and consumer protection. Together with a gallant cast, including the muckraking reporter Upton Sinclair, whose fiction revealed the horrific truth about the Chicago stockyards; Fannie Farmer, then the most famous cookbook author in the country; and Henry J. Heinz, one of the few food producers who actively advocated for pure food, Dr. Wiley changed history. When the landmark 1906 Food and Drug Act was finally passed, it was known across the land, as "Dr. Wiley's Law." Blum brings to life this timeless and hugely satisfying "David and Goliath" tale with righteous verve and style, driving home the moral imperative of confronting corporate greed and government corruption with a bracing clarity, which speaks resoundingly to the enormous social and political challenges we face today. Is Anna's new BFF really her evil twin? Nothing is as it seems in this thrilling, bone-chilling new Poison Apple book! Anna's new friend, Emma, is everything Anna wants to be -- fearless, effortlessly fashionable, and always up for doing something new and fun. The girls even look alike, and soon they're fixing their hair the same way and sharing clothes. But Emma is also kind of a troublemaker. She likes to sneak off school grounds at lunch, and she doesn't seem to like Anna having any other friends. Emma never seems to get caught, but Anna does. After all, they look just alike. When Emma's sense of adventure takes a sinister turn, Anna starts to worry. Is her mirror-image BFF a dangerous evil twin? Lira, a famous siren, must prove herself by stealing the heart of the man, a siren-hunting prince who's threatening her race in this action-packed debut. Ashlee Lambert, the queen bee from This Totally Bites!, is back in her very own book! Ashlee's family has moved from New York City to sunny L.A., which she is not happy about. Having to make a whole new group of friends is bad enough, but to top it off, Ashlee has to deal with the fact that she's a fully fledged vampire! Keeping this huge secret from almost everyone is tough, and the popular girls at school aren't making it any easier. When rumors start flying around school that there's a vampire in the students' midst, Ashlee doesn't know what to do. Will she use her vampire powers for good... or evil? The graphic novel debut from rising star Noelle Stevenson, based on her beloved and critically acclaimed web comic, which Slate awarded its Cartoonist Studio Prize, calling it "a deadpan epic." Nemeses! Dragons! Science! Symbolism! All these and more await in this brilliantly subversive, sharply irreverent epic from Noelle Stevenson. Featuring an exclusive epilogue not seen in the web comic, along with bonus conceptual sketches and revised pages throughout, this gorgeous full-color graphic novel is perfect for the legions of fans of the web comic and is sure to win Noelle many new ones. Nimona is an impulsive young shapeshifter with a knack for villainy. Lord Ballister Blackheart is a villain with a vendetta. As sidekick and supervillain, Nimona and Lord Blackheart are about to wreak some serious havoc. Their mission: prove to the kingdom that Sir Ambrosius Goldenloin and his buddies at the Institution of Law Enforcement and Heroics aren't the heroes everyone thinks they are. But as small acts of mischief escalate into a vicious battle, Lord Blackheart realizes that Nimona's powers are as murky and mysterious as her past. And her unpredictable wild side might be more dangerous than he is

willing to admit. When a skeptical Zoe has her fortune told at a carnival, and the fortune-teller gives her a special necklace, she starts a run of bad luck that leads her to believe she may be under a curse and that something terrible may be about to happen. Descendants 2 fans will adore this all-new Spell Book. When Mal first got to Auradon, she used her spell book to try and destroy the place, and then she used it to fit in there. And then it fell into the wrong hands. . . Or should we say tentacles? This spell book has been completely updated with fresh spells, plus brand new comments, photos, and inside information from villain kids Mal, Evie, Jay, Carlos. . . and Uma. This is the next chapter in their story. Who can uncover the elusive identity of the Poison Maiden? The Poison Maiden is Paul Doherty's second compulsive novel set during the turbulent reign of Edward II, featuring Mathilde of Westminster. Perfect for fans of Ellis Peters and Robin Hobb. It's 1308 and England hovers on the brink of civil war. Edward II, his wife Isabella and the royal favourite Peter Gaveston, Earl of Cornwall, have been forced to retreat to the King's folly. Just an arrowshot away lay the Great Lords and Philip IV of France, who are demanding that the Earl of Cornwall be charged with high treason. Edward is trapped, and worse, he has learnt that Philip has the 'Poison Maiden' on his side, a formidable spy who did untold damage during his father's reign. As Edward tries in vain to unmask the identity of the spy, Mathilde, handmaiden to the Queen, also attempts to identify the source of this threat. Soon the crisis spills over into violence. The Lords attempt to take Gaveston by force and the King and his Court, including Mathilde, are forced to flee. As the enemy closes in, Mathilde finds herself embroiled in a life and death struggle for the English crown. What readers are saying about The Poison Maiden: 'This is medieval mystery at its very best' 'A fascinating and illuminating page-turner of a book' 'This is a really good adventure; an atmospheric read, a great story, and lots to think on as you close the last page' This book has bite . . . When Lena and her best friend Abby find an old Polaroid camera, they never suspect that a creepy ghost story is about to develop! Best friends Lena and Abby love searching through thrift stores for lost treasures. When they find an old Polaroid camera, they can't wait to try it out. But the photos that develop are troubling -- things that weren't really there appear in the pictures. Creepiest of all is the image of a boy, dark and angry looking. He shows up, over and over, clearer each time. Can the girls discover what the ghost boy wants -- before it's too late? When reporter Jack Crittendon learns people on the poor side of town are dying, and pollution from a local manufacturing plant may be to blame, nothing will stop his investigation. The last place in the world Bree wants to spend her summer is at Midnight Lake. There's no cell reception, no shopping, and no normal food! To make matters worse, Bree's Aunt Hedda seems determined to make Bree's stay with her as miserable as possible. Aunt Hedda's superstitions and cooking are weird to begin with. Everyone in town seems to think her aunt is crazy, but when Bree starts hearing strange night music and finds bones washed up on shore, she starts to wonder if her aunt might just be right. And then there's Quin, the mischievous, brooding local boy who seems to be hiding a secret of his own. Now Bree must uncover the secrets of Midnight Lake before she, or someone she cares about, becomes its next victim. This second book in Sarah Mlynowski's charming series puts a fresh spin on the Cinderella story! Tonight the mirror swept us into Cinderella's fairy tale. Now, we are NOT messing this story up. No way. Cinderella is going to marry her prince just like she's supposed to. Uh-oh. Cinderella broke her foot and there's massive swelling. The glass slipper won't fit, the prince won't know she's the one for him, and they won't live happily ever after. And it's all our fault! To save the day we'll need to: - Learn how to use a dustpan - Stay out of jail - Find Cinderella a job - And make sure true love finds its way. We just have to get it all done before the clock strikes twelve and the chance for a happily ever after is gone . . . forever! Twelve-year-old Emma-Rose Paley feels very different from her bubbly parents and thinks only her best friend understands her, but a visit from Emma-Rose's great-aunt from Romania leads her to believe she could be a vampire. Poison Apple Books: Thrilling. Bone-chilling. These books have bite! Twelve-year-old Emma-Rose Paley has always felt different from her bubbly, outgoing parents. Unlike them, Emma-Rose has pale skin and jet-black hair, is quiet and moody, and prefers gray weather to sunshine. She also hates the taste of garlic, has very sharp incisors, and loves rare burgers. When Emma-Rose uncovers a dark family secret, she has a sudden revelation. Could Emma-

Rose be a real, live vampire? The rich stew of the author's creations—SingleEarth, vampires, shapeshifters, Tristes, the Bruja Guilds—are at full boil here in the story of two 20-ish young women trying to out run their very different pasts, and figure out where they fit in and who they might become. Each has landed in a more "normal" place, and each wonders if, like a tattoo that can't be covered up, they can ever really fit into "normal." It is Lorenzo Sperlonga's intention to showcase a side of his work that is rarely seen. Featuring beautiful and exotic images. Moving from poison and treachery to war and witchcraft, Sam Hawke's Poison Wars continue with Hollow Empire, a fabulous epic fantasy adventure perfect for fans of Robin Hobb, Naomi Novik, and Scott Lynch. Poison was only the beginning.... The deadly siege of Silasta woke the ancient spirits, and now the city-state must find its place in this new world of magic. But people and politics are always treacherous, and it will take all of Jovan and Kalina's skills as proofer and spy to save their country when witches and assassins turn their sights to domination. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. While staying on a ranch in Montana with family friends, Marisol begins to fear that she might be living with a werewolf
